DESTINATION HIGHLIGHTS

TOKYO, officially Tokyo Metropolis, is the capital of Japan. It is the seat of the Emperor of Japan and the Japanese government. Formerly known as Edo, it has been the seat of government since 1603 when Shogun Tokugawa Ieyasu made the city his headquarters. It officially became the capital after Emperor Meiji moved his seat to the city from the old capital of Kyoto in 1868; at that time Edo was renamed Tokyo. Tokyo Metropolis was formed in 1943 from the merger of the former Tokyo Prefecture and the city of Tokyo.

In 2014, Tokyo was ranked first in the "Best overall experience" category of TripAdvisor's World City Survey. And in 2015, Tokyo was named the "Most Livable City" in the world by the magazine Monocle. The Michelin Guide has awarded Tokyo by far the most Michelin stars of any city in the world.

Huge and varied in its geography, with over 2,000km² (770 square miles) to explore, Tokyo Metropolis spans not just the city, but rugged mountains to the west and subtropical islands to the south. Tokyo has a vast array of sights, but the first items on the agenda of most visitors are the Asakusa Temple, the gardens of the Imperial Palace and the Meiji Shrine.

Beyond that, Tokyo's other attractions include Tokyo Tower, Tokyo Disneyland, Tokyo Rainbow Bridge, Ueno Koen, Shinjuku Gyoen etc. Tokyo has many commercial centers for shopping, eating and simply wandering around for experiencing the modern Japanese urban phenomenon. Each of these areas have unique characteristics, such as dazzling Shinjuku, youthful Shibuya and upmarket Ginza. These areas are bustling throughout the day, but they really come into life in the evenings.
